TWHBEA Canadian Gelding Opportunities Program

The TWHBEA Canadian GO! Program

The **TWHBEA Canadian GO! Program** is open to all registered TWHBEA geldings in Canada regardless of age. Each participant (owner/rider) must be a member of TWHBEA in good standing. Upon paying the annual nomination fee, the nominated gelding is eligible to participate in any category of this program. The program is broken down into two award categories, **Category I-The TWHBEA Canadian GO! Competition Division** and **Category II-The TWHBEA Canadian GO! Super Gelding Award**. The **TWHBEA Canadian GO! Competition Division** is divided into four categories, pleasure, versatility, endurance trail, and recreational trail. Each category is further broken down into two age categories, Junior Gelding (4 years & under) and Senior Gelding (5 years & Over). The **TWHBEA Canadian GO! Super Gelding Award** will be awarded to the gelding that accumulated the most points during the year.

This program will run from year to year. Points will be counted beginning in November 1 of each year running through October 31 of the next year. Points will begin to accumulate after entry forms have been turned in and all nomination fees have been paid. **The TWHBEA Canadian GO! Program Log** must be turned in by November 1 and will be verified by TWHBEA. For shows that are not turned into TWHBEA to be published as show records on IPeds, a class sheet signed by the show secretary verifying the placing, must be included with the **TWHBEA Canadian GO! Program Log Book**. Points will be earned by the placing of each gelding in a judged competition with the only exception being the Recreational Trail division. Single judge shows will be counted as single points, three judge shows will be counted as double point shows, and five judges will be counted as triple point shows. The points in a single judge show will be awarded by 1st place 10 points, 2nd place 9 points, etc. Recreational Trail geldings must fill out the **TWHBEA Canadian GO! Recreational Trail Log** where for each 5 hours of

recreational riding one point will be awarded, thus for 50 hours of recreational riding (time in the saddle) the gelding would earn 10 points. A detailed Log must be kept naming place, time and distance ridden.

There will be an annual nomination fee of \$20.00 USF for each Competitive Division entered. \$10.00 USF will be placed in the Competitive Division that the horse is nominated for and \$10.00 USF into the **TWHBEA Canadian GO! Super Gelding Award** account. All monies collected will be paid out in a given year. The owner of record at the conclusion of each point year as determined above will be the recipient of the **TWHBEA Canadian GO! Programs** cash awards which will be awarded at the **TWHBEA Awards Banquet** each year. **TWHBEA** will match the nomination fees up to the first 100 geldings in all **TWHBEA GO! Programs**. The number will be reviewed at the March Executive Committee meeting.

The top five geldings in each division of **The TWHBEA Canadian GO! Competitive Division** (Category 1), will receive monetary awards with recognition given also to geldings ranking 6-10. There will be only one winner with payout for the **Canadian GO! Super Gelding Award** (Category 2). The winner will be the gelding with the highest overall accumulation of points.
